

**REMARKS**

Paragraph 1 of the Office Action dated June 16, 2004 (hereinafter, "the Office Action") states that Claims 1, 7 - 8, 20, 26 - 27, 39, 45 - 46 (mistyped as "35 - 36" in the Office Action), 59, and 62 - 71 (referred to in the Office Action as "Group I") are drawn to subject matter classified in Class 725, Subclass 4, whereas Claims 72 - 75 (referred to in the Office Action as "Group II") are drawn to subject matter classified in Class 725, Subclass 2. Paragraphs 1 - 2 of the Office Action further state that restriction is required for examination purposes.

Applicant hereby elects the claims identified in the Office Action as Group I for prosecution in the present application. The claims of Group II have been cancelled from the application without prejudice (and are being separately submitted in a Divisional application filed under 37 C.F.R. §1.53(b)).

The Examiner is therefore respectfully requested to withdraw the restriction requirement. Applicant respectfully requests allowance of all remaining claims at an early date.

Respectfully submitted,
